Texas Administrative Code, Title 19, Part II

Chapter 66. State Adoption and Distribution of Instructional Materials

66.51(a)(3) A teacher's component submitted to accompany student instructional materials under consideration for adoption shall be part of the publisher's official bid and shall be provided for the duration of the original contract and any contract extensions at no cost to every teacher that uses the adopted student materials in a school district or open enrollment charter school.

I. TEACHER MATERIALS

YES NO

A. **BID PACKAGE** (All materials submitted to TEA as part of the adoption bid package)

Will provide one copy/set for every teacher of the grade or subject for the life of the TEA contract and extensions.

If no, state your ratio of teacher materials to student editions. _____

B. **ANCILLARY PACKAGE** (All materials submitted that are not in the state bid package)

One set/copy for every teacher of the grade or subject for the life of the TEA contract and extensions.

If no, state your ratio of teacher materials to student editions. _____

OR

C. **ALTERNATIVE FOR A & B** Every regular classroom teacher will receive a full teacher bid package and a full set of all ancillary materials. Special Program teachers will receive at least a teacher edition and a CD-ROM which will contain all components of bid package and ancillary materials.

II. CAMPUS SYSTEMS

YES NO

Will provide to all schools and/or new schools for the life of the TEA contract and extensions. (A campus system is any material or equipment that is provided at a ratio of one per campus or district level)

III. OTHER REQUIREMENTS FOR ADOPTION

YES NO

Will package and ship all ancillary materials to the textbook coordinator in complete sets.

We consider the ancillary materials a single item and will not distribute until complete.

Will provide an itemized price list with Texas specific ISBN's, indicating cost per item of each set of textbooks, systems, or ancillary materials.

Will guarantee the above itemized prices for all individual items for the life of the adoption and extensions.

Will provide electronic version of teacher bid package and ancillary package.

Will provide student textbook and teacher supplemental materials online (i.e. from a website)?

Will grant release rights to the district to place all digital data on a central or campus computer server?

Will grant release for all digital forms of the textbook and teacher supplemental materials to be loaded to a digital media server without additional cost?

Will class sets of student books be supplied gratis to the district? If yes, please note the ratio of gratis books to state ordered books. _____

If attachments are sent you still need to respond to items I, II and III
