

MEMORANDUM

TO: Texas Textbook Coordinators

FROM: Jack McCanna, Vice-President Program Services
Children International

CC: Follett Educational Services

SUBJECT: Out of Adoption Textbook Donations

DATE: April 4, 2011

Children International wishes to express our appreciation to our current and future partners among the Texas Textbook Coordinators for your donation of Out of Adoption Textbooks.

Through our partnership with Follett Educational Services we strive to provide you with a simple and effective mechanism to donate these textbooks. We hope this partnership meets your needs and will continue to do so in the future.

Since 2005 Children International has sent more than 10 million textbooks from the state of Texas where they are used in schools and libraries in developing countries in Africa, Latin America and Asia. Your textbooks continue to boost the education of children and youth in these countries and as a result, create better opportunities for their future.

Children International would like to affirm that we have the capacity to continue to accept Out of Adoption Textbooks from the state of Texas from our current partner school districts. We also welcome any new partners from those districts that have not yet participated in our program.

As always, your Follett representatives, Yancy Parsons and Chris Jackson, are ready to schedule the prompt pick up of your textbooks. The toll free number is 800-621-4272. You may call Yancy (Ext. 7710) or Chris (Ext. 7849) at your convenience.

Best Regards,
